Putting the South West First

Our purpose is to provide a primary contact for every Westminster Constituency and Local Government Authority for constituency case work regarding European issues and for visits and meetings. This is intended to provide a more efficient service for you.

We should emphasise, however, that we all welcome invitations to events and functions throughout the region. In addition to our geographical and committee responsibilities, please feel free to raise any other matters with us.

In addition all three of us feel a special responsibility for Gibraltar.
